GET **WIT** IT

Providing communities a catalyst for economic growth.

When companies and communities embrace the potential of women in technology, we unlock new opportunities for economic growth and foster inclusive, sustainable societies. **GetWITit, a 501(c)(3) volunteer-led non-profit organization, is on a mission to combat the gender disparity in information systems and computing industries**.

We achieve our mission through awareness-building programs, attrition-reduction initiatives, pathways to transition into tech careers, and leadership preparation opportunities. **Together, we're shaping a more equitable tech landscape.**

OUR VISION

Our vision is to aspire to cultivate local community engagement so that women can sustain, excel, and advance in technology careers.

OUR MISSION

To build an environment where women of all backgrounds flourish in technology and to create opportunities for women to inspire others.

OUR VALUES

- Inclusivity
- Empowerment
- Collaboration
- Inspiration
- Advocacy

OUR CHAPTERS

Our chapters host annual WITCON conferences, where we showcase cutting-edge tech content and champion women's empowerment in technology. Through local events, our chapters foster idea sharing, support systems, and spark meaningful connections

Nonprofit Partnerships

Does your nonprofit organization support women in tech? Qualifying Non-Profit Organizations can support getWITit programs with in-kind services or monetary donations. Your support of any non-conference single event comes with:

+ Logo on Event(s) Registration

+ Social Media Spotlight

+ Non-profit Recognition

+ Shared Attendee List

Depending on chapter collaborations and partnerships, getWITit may provide non-profit partners with tables at annual conferences. Discuss how with your chapter representative.
